A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to extend the operation of its Supplemental Liquidity Providers Pilot,³ currently scheduled to expire on August 1, 2011, until the earlier of Commission approval to make such Pilot permanent or January 31, 2012.

Background⁴

In October 2008, the NYSE implemented significant changes to its market rules,

execution technology and the rights and obligations of its market participants all of which were designed to improve execution quality on the Exchange. These changes are all elements of the Exchange's enhanced market model referred to as the "New Market Model" ("NMM Pilot").⁵ The SLP Pilot was launched in coordination with the NMM Pilot (see Rule 107B).

As part of the NMM Pilot, NYSE eliminated the function of specialists on the Exchange creating a new category of market participant, the Designated Market Maker or DMM.⁶ Separately, the NYSE established the SLP Pilot, which established SLPs as a new class of market participants to supplement the liquidity provided by DMMs.⁷

The SLP Pilot is scheduled to end operation on August 1, 2011 or such earlier time as the Commission may determine to make the rules permanent. The Exchange is currently preparing a rule filing seeking permission to make the SLP Pilot permanent, but does not expect that filing to be completed and approved by the Commission before August 1, 2011.⁸

⁷ See NYSE Rule 107B.

⁸ The NMM Pilot was scheduled to expire on August 1, 2011. On June 21, 2011, 2011 the Exchange filed to extend the NMM Pilot until January 31, 2012. See SR-NYSE-2011-29). See also Securities Exchange Act Release Nos. 63618 (December 29, 2010) 76 FR 617 (January 5, 2011) (SR-NYSE-2010-85) (extending the operation of the New Market Model Pilot to August 1, 2011); 62819 (September 1, 2010), 75 FR 54937 (September 9, 2010) (SR-NYSE-2010-61) (extending the operation of the New Market Model Pilot to January 31, 2011); 61724 (March 17, 2010), 75 FR 14221 (SR-NYSE-2010-25) (extending the operation of the New Market Model Pilot to September 30, 2010); and 61031 (November 19, 2009), 74 FR 62368 (SR-NYSE-2009-113) (extending the operation of the New Market Model Pilot to March 30, 2010).

Proposal to Extend the Operation of the SLP Pilot

The NYSE established the SLP Pilot to provide incentives for quoting, to enhance competition among the existing group of liquidity providers, including the DMMs, and add new competitive market participants. The Exchange believes that the SLP Pilot, in coordination with the NMM Pilot, allows the Exchange to provide its market participants with a trading venue that utilizes an enhanced market structure to encourage the addition of liquidity, facilitate the trading of larger orders more efficiently and operates to reward aggressive liquidity providers. As such, the Exchange believes that the rules governing the SLP Pilot (Rule 107B) should be made permanent. Through this filing the Exchange seeks to extend the current operation of the SLP Pilot until January 31, 2012, in order to allow the Exchange to formally submit a filing to the Commission to convert the Pilot rule to a permanent rule.⁹

2. Statutory Basis

The basis under the Securities Exchange Act of 1934 (the “Act”) for this proposed rule change is the requirement under Section 6(b)(5) that an exchange have rules that are designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest. The Exchange believes that the instant filing is consistent with these principles because the SLP Pilot provides its market participants with a trading venue that utilizes an enhanced market structure to encourage the addition of liquidity and operates to reward aggressive liquidity providers. Moreover,

⁹ The NYSE Amex SLP Pilot (NYSE Amex Equities Rule 107B) is also being extended until January 31, 2012 or until the Commission approves it as permanent (See SR-NYSEAmex-2011-44).

the instant filing requesting an extension of the SLP Pilot will permit adequate time for: (i) the Exchange to prepare and submit a filing to make the rules governing the SLP Pilot permanent; (ii) public notice and comment; and (iii) completion of the 19b-4 approval process.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act¹⁰ and Rule 19b-4(f)(6) thereunder.¹¹ Because the proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public

interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act and Rule 19b-4(f)(6)(iii) thereunder.¹²

A proposed rule change filed under Rule 19b-4(f)(6)¹³ normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),¹⁴ the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest.

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
