

SECURITIES AND EXCHANGE COMMISSION  
(Release No. 34-76296; File No. SR-NYSE-2015-47)

October 29, 2015

Self-Regulatory Organizations; New York Stock Exchange LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Discontinuing the NYSE Retail Trading Product and the NYSE Program Trading Product Market Data Product Offerings

Pursuant to Section 19(b)(1)<sup>1</sup> of the Securities Exchange Act of 1934 (the “Act”)<sup>2</sup> and Rule 19b-4 thereunder,<sup>3</sup> notice is hereby given that on October 15, 2015, New York Stock Exchange LLC (“NYSE” or the “Exchange”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to discontinue the NYSE Retail Trading Product (“NYSE ReTrac”) and the NYSE Program Trading Product (“NYSE ProTrac”) market data product offerings. The text of the proposed rule change is available on the Exchange’s website at [www.nyse.com](http://www.nyse.com), at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to discontinue the NYSE ReTrac and NYSE ProTrac market data offerings (together the "NYSE ReTrac and ProTrac Products"). The NYSE ReTrac and ProTrac Products supply subscribers with information on certain executions dependent on the account type indicator associated with a trade. NYSE ReTrac is a real-time datafeed of certain execution report information that has been recorded as trades for accounts of "individual investors" as well as an end-of-day summary. NYSE ProTrac is a real-time data feed of certain execution report information that has been recorded as program trades, and an end-of-day summary.

In 2006, the Securities and Exchange Commission ("Commission") approved the NYSE ReTrac and ProTrac Products and associated fees.<sup>4</sup> Over the several years since the introduction of the products, subscription has been de minimis. As such, the

Exchange believes that the NYSE ReTrac and ProTrac Products did not achieve the intended objective of supplying useful information.

The Exchange will provide subscribers with advance notice of the discontinuation of the NYSE ReTrac and ProTrac Products.

## 2. Statutory Basis

The proposed rule change is consistent with Section 6(b)<sup>5</sup> of the Act, in general, and furthers the objectives of Section 6(b)(5)<sup>6</sup> of the Act, in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest, and it is not designed to permit unfair discrimination among customers, brokers, or dealers.

The Exchange believes that discontinuing the NYSE ReTrac and ProTrac Products will remove impediments to and help perfect a free and open market by streamlining the Exchange's suite of market data products and discontinuing products for which there is no or limited demand.

In adopting Regulation NMS, the Commission granted self-regulatory organizations ("SROs") and broker dealers increased authority and flexibility to offer new market data products to consumers of such data. It was believed that this authority would expand the amount of data available to users and consumers of such data and also

<sup>6</sup> 15 U.S.C. 78f(b)(5).

spur innovation and competition for the provision of market data. The Commission concluded that Regulation NMS would itself further the Act's goals of facilitating efficiency and competition:

Efficiency is promoted when broker-dealers who do not need the data beyond the prices, sizes, market center identifications of the NBBO and consolidated last sale information are not required to receive (and pay for) such data. The Commission also believes that efficiency is promoted when broker-dealers may choose to receive (and pay for) additional market data based on their own internal analysis of the need for such data.<sup>7</sup>

The Exchange believes the discontinuation of market data products for which there is an overall lack of demand, such as the NYSE ReTrac and ProTrac Products, promotes efficiency because it acknowledges that investors and the public have little or no use for certain information and allows the Exchange to dedicate resources to developing products (including through innovations of existing products and entirely new products) that provide information for which there is more of an expressed need. In addition, the proposal would not permit unfair discrimination because the discontinuation is applicable to all members, issuers and other persons and does not unfairly discriminate between customers, issuers, brokers or dealers.

B. Self-Regulatory Organization's Statement on Burden on Competition

In accordance with Section 6(b)(8) of the Act,<sup>8</sup> the Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

The Exchange notes that it operates in a highly competitive market in which other exchanges are free to offer similar products. Additionally, since the demand for the product was de minimis the Exchange's proposed discontinuance will not harm competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule does not (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest, provided that the self-regulatory organization has given the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change or such shorter time as designated by the Commission,<sup>9</sup> the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>10</sup> and Rule 19b-4(f)(6) thereunder.<sup>11</sup>

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the

Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)<sup>12</sup> of the Act to determine whether the proposed rule change should be approved or disapproved.

A proposed rule change filed under Rule 19b-4(f)(6)<sup>13</sup> normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),<sup>14</sup> the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that it may dedicate resources, without undue delay,<sup>15</sup> to creating and supporting products that supply investors and the public with information for which there is more demand. The Commission, noting that the subscription to these data services has been de minimis and that the Exchange has represented that it will provide advance notice of discontinuation to all subscribers, finds that it is consistent with the protection of investors and the public interest to waive the 30-day operative delay.<sup>16</sup> Accordingly, the Commission designates the proposed rule change as operative upon filing with the Commission.

<sup>14</sup> 17 CFR 240.19b-4(f)(6)(iii).

<sup>15</sup> The Commission notes that the Exchange has represented that it will provide subscribers with advance notice of the discontinuation of the NYSE ReTrac and ProTrac Products.

<sup>16</sup> For purposes only of accelerating the operative date of this proposal, the Commission has considered the proposed rule's impact on efficiency, competition, and capital formation. 15 U.S.C. 78c(f).
