Section 9—Exchange Forms.

Sec. 907.00 Products and Services Available to Issuers

Eligible Current Listings:

Tier One: The Exchange offers (i) a choice of market surveillance or market analytics products and services, and (ii) Web-hosting and web-casting products and services to U.S. issuers that have 270 million or more total shares of common stock issued and outstanding in all share classes, including and in addition to Treasury shares, and non-U.S. companies that have 270 million or more shares of an equity security issued and outstanding in the U.S., each calculated annually as of September 30* of the preceding year.

Tier Two: At each such issuer's election, the Exchange offers a choice of market analytics or Web-hosting and web-casting products and services to:

(1) U.S. issuers that have 160 million to 269,999,999 total shares of common stock issued and outstanding in all share classes, including and in addition to Treasury shares, calculated annually as of September 30* of the preceding year; and

(2) non-U.S. companies that have 160 million to 269,999,999 shares of an equity security issued and outstanding in the U.S., calculated annually as of September 30* of the preceding year.

* A U.S. issuer or non-U.S. company that has the requisite number of shares outstanding on September 30 will begin (or continue, as the case may be) to receive the suite of complimentary products and services for which it is eligible as of the following January 1. In the event that a U.S. issuer or non-U.S. company completes a corporate action between October 1 and December 31 that increases the number of shares it has outstanding, the Exchange will calculate its outstanding shares as of December 31 and determine whether it has become eligible to receive Tier One or Tier Two services. If

eligible, the Exchange will offer such services as of the immediately succeeding January 1.
