II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend the Operating Agreement to make a technical change updating the registered office and registered agent in the state of New York. A conforming change would be made to update the date of the Operating Agreement.

The Exchange is a limited liability company organized under the laws of the State of New York. As such, it has and maintains a registered office and registered agent in New York.⁴

Article I, Section 1.05 of the Operating Agreement provides that the address of the registered office of the Exchange in the State of New York is c/o National Registered Agents, Inc., 875 Avenue of the Americas, Suite 501, New York, NY 10001. The Exchange proposes to amend such provision to provide that the address is c/o United Agent Group Inc., 15 North Mill Street, Nyack, Rockland County, New York 10960.

Article I, Section 1.06 of the Operating Agreement provides that the name and address of the registered agent of the Exchange for service of process on the Exchange in the State of New York is National Registered Agents, Inc., 875 Avenue of the Americas, Suite 501, New York,

⁴ See N.Y. Ltd. Liab. Co. Law §302.

NY 10001. The Exchange proposes to amend such provision to provide that the name and address is United Agent Group Inc., 15 North Mill Street, Nyack, Rockland County, New York 10960.

The changes are non-substantive technical administrative changes.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Exchange Act⁵ in general, and with Section 6(b)(1)⁶ in particular, in that it enables the Exchange to be so organized as to have the capacity to be able to carry out the purposes of the Exchange Act and to comply, and to enforce compliance by its exchange members and persons associated with its exchange members, with the provisions of the Exchange Act, the rules and regulations thereunder, and the rules of the Exchange.

The proposed rule change is a non-substantive administrative change that does not impact the governance or ownership of the Exchange. The Exchange believes that the proposed rule change would enable the Exchange to continue to be so organized as to have the capacity to carry out the purposes of the Exchange Act and comply and enforce compliance with the provisions of the Exchange Act by its members and persons associated with its members, because ensuring that the Operating Agreement identifies the registered agent and registered office in New York and making a conforming change to the date of the Operating Agreement would contribute to the orderly operation of the Exchange by adding clarity and transparency to its rules.

For similar reasons, the Exchange also believes that the proposed rule change is

⁵ 15 U.S.C. 78f(b).

⁶ 15 U.S.C. 78f(b)(1).

consistent with Section 6(b)(5) of the Act,⁷ in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest.

The Exchange believes that the proposed rule change would remove impediments to and perfect the mechanism of a free and open market and a national market system by ensuring that market participants can more easily navigate, understand and comply with its rules. The Exchange believes that, by ensuring that such rules accurately identify the registered agent and registered office in New York, and by making a conforming change to the date of the Operating Agreement, the proposed rule change would reduce potential investor or market participant confusion.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Exchange Act. The proposed rule change is not designed to address any competitive issue but rather is concerned solely with making a technical change updating the registered office and registered agent of the Exchange.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

⁷ 15 U.S.C. 78f(b)(5).

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act⁸ and Rule 19b-4(f)(3)⁹ thereunder in that the proposed rule change is concerned solely with the administration of the Exchange.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)¹⁰ of the Act to determine whether the proposed rule change should be approved or disapproved.
