Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on October 12, 2004, the New York Stock Exchange, Inc. ("NYSE" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The proposed rule change has been filed by the NYSE as a "non-controversial" rule change pursuant to Rule 19b-4(f)(6) under the Act.³ The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

On January 29, 2004, the Commission granted accelerated approval to the Pilot Program on a six-month pilot basis through July 30, 2004.⁶ Two comments were received in response to File Number SR-NYSE-2003-43.⁷ The NYSE thereafter filed File Number SR-NYSE-2004-15 on March 16, 2004 for immediate effectiveness,⁸ which suspended portions of the original Pilot Program regarding minimum numerical continued listing set forth in Section 802.01B of the NYSE's Listed Company Manual. In File Number SR-NYSE-2004-15, the Exchange noted its

⁶ See Securities Exchange Act Release No. 49154, supra note 4. The Exchange subsequently extended the Pilot Program until the earlier of October 31, 2004, or such date as the Commission may approve File Number SR-NYSE-2004-20. See Securities Exchange Act Release No. 50123, supra note 4.

intention to publish the requirements of the original Pilot Program regarding minimum numerical continued listing standards set forth Section 802.01B for public comment on a non-accelerated timeframe. SR-NYSE-2004-15 did not, however, affect the Pilot Program with respect to original listing standards set forth in Sections 102.01C and 103.01B of the NYSE's Listed Company Manual or the Pilot Program's non-substantive change to the language of Section 802.01C.

On April 4, 2004, the Exchange filed File Number SR-NYSE-2004-20, which seeks permanent approval for the Pilot Program currently in effect with respect to the Exchange's original minimum listing standards, and approval of the continued minimum listing standards as originally proposed in File Number SR-NYSE-2003-43. File Number SR-NYSE-2004-20 was published in the Federal Register on July 2, 2004.⁹ Three comment letters were received in response to File Number SR-NYSE-2004-20.¹⁰ Following consideration of these comment letters, the Exchange filed Amendment No. 2 to NYSE-2004-20 on August 31, 2004.¹¹ The Exchange believes it is appropriate to extend the amended Pilot Program until the earlier of January 31, 2005, or such date as the Commission may approve File Number SR-NYSE-2004-20.

⁹ See supra note 5.

¹⁰ See letters to Jonathan G. Katz, Secretary, Commission, from Richard F. Latour, President & CEO, MicroFinancial Incorporated, July 15, 2004, Kenneth A. Hoogstra, von Briesen & Roper, s.c., dated July 20, 2004, and John L. Patenaude, Vice President Finance and Chief Financial Officer, Nashua Corporation, dated July 22, 2004.

¹¹ See letter to Nancy J. Sanow, Assistant Director, Division, Commission, from Darla C. Stuckey, Corporate Secretary, NYSE, dated August 31, 2004.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b)(5) of the Act¹² because it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

Written comments were neither solicited nor received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change (1) does not significantly affect the protection of investors or the public interest; (2) does not impose any significant burden on competition; and (3) by its terms, does not become operative until 30 days from the date on which it was filed, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest, and the Exchange provided the Commission with written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission,

¹² 15 U.S.C. 78f(b)(5).

it has become effective pursuant to Section 19(b)(3)(A) of the Act¹³ and Rule 19b-4(f)(6) thereunder.¹⁴ At any time within 60 days of the filing of this proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

Although Rule 19b-4(f)(6) under the Act¹⁵ requires that an Exchange submit a notice of its intent to file at least five business days prior to the filing date, the Commission is waiving this requirement at the Exchange's request in view of the fact that the proposed rule change seeks to continue the existing Pilot Program. The NYSE has also requested that the Commission waive the 30-day operative delay. The Commission believes waiving the 30-day operative delay is consistent with the protection of investors and the public interest. Waiver of the operative date will allow the Exchange's Pilot Program to continue without any interruption in service to issuers and investors. For these reasons, the Commission designates the proposal to be effective and operative upon filing with the Commission.¹⁶

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:
