Self-Regulatory Organizations; New York Stock Exchange, Inc.; Notice of Filing of Proposed Rule Change to Add Rules Regarding Time Tracking Requirements of Specialists and Specialist Organizations to its Minor Rule Violation Plan

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b-4 thereunder,² notice is hereby given that on September 22, 2005, the New York Stock Exchange, Inc. (“NYSE” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend NYSE Rule 476A in order to include NYSE Rule 103.12, which relates to time tracking requirements of specialists and specialist organizations, in its Minor Rule Violation Plan. The text of the proposed rule change is available on the Exchange’s Internet Web site (<http://www.nyse.com>), at the Exchange’s principal office, and at the Commission’s Public Reference Room.

² 17 CFR 240.19b-4.

in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

On August 12, 2005, the Exchange filed with the Commission a proposed rule change relating to NYSE Rule 103.12,³ which requires specialists and specialist organizations to record and report the actual time individuals spend working as a specialist or clerk while on the trading floor of the Exchange. NYSE Rule 103.12 requires specialists and specialist member organizations to make and keep, in the regular course of business, records of the times that each of the member organization's specialists and clerks work in such capacities on the floor. The specialists and specialist member organizations must be able to provide such records to the Exchange within the time frame and in a format determined by the Exchange. In addition, NYSE Rule 103.12 requires specialists and clerks to log in to the Exchange's IDTrack system and register their presence with respect to specialty stocks in which they are working. The IDTrack system provides reports and information pertaining to specialist and clerk activity to the Exchange's Division of Market Surveillance and to specialist firms.

NYSE Rule 103.12 allows the Exchange to more accurately track the identity of specialists and their clerks and the times when each specialist and clerk act in such capacities while on the floor. This proposed rule change seeks to add NYSE Rule 103.12 to NYSE Rule 476A's Supplementary Material, List of Exchange Rule Violations and Fines Applicable Thereto Pursuant to Rule 476A, as an enforcement tool.

³ See Securities Exchange Act Release No. 52251 (August 12, 2005), 70 FR 48790 (August 19, 2005) (SR-NYSE-2005-47).

NYSE Rule 476A provides that the Exchange may impose a fine, not to exceed \$5,000, on any member, member organization, allied member, approved person, or registered or non-registered employee of a member or member organization for a minor violation of certain specified Exchange rules. NYSE Rule 476A's procedures for the imposition of fines are designed to provide meaningful sanctions for certain rule violations when the initiation of a formal disciplinary procedure under NYSE Rule 476 would be more costly and time consuming than would be warranted given the minor nature of the violation or when the violation calls for a stronger response than an admonition letter. The Exchange believes that specialists and their clerks may at times fail to adhere to the record keeping requirements of NYSE Rule 103.12 in a manner that may be appropriate to be addressed with formal discipline (as provided under NYSE Rule 476) or informal discipline (such as a fine as provided under NYSE Rule 476A).

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act,⁴ in general, and furthers the objectives of Section 6(b)(5) of the Act,⁵ in particular, in that it would promote just and equitable principles of trade, facilitate transactions in securities, remove impediments to and perfect the mechanisms of a free and open market and a national market system, and protect investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change would impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

⁴ 15 U.S.C. 78f(b).

⁵ 15 U.S.C. 78f(b)(5).

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the date of publication of this notice in the Federal Register or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:

- (A) by order approve such proposed rule change, or
- (B) institute proceedings to determine whether the proposed rule change should be disapproved.
