² 17 CFR 240.19b-4.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to offer, through NYSE Euronext Advanced Trading Solutions, Inc., the RMG service to NYSE Alternext members and member organizations. NYSE Transact Tools, Inc, a division of the NYSE Euronext Advanced Trading Solutions Group (“NYXATS”), owns RMG. RMG is a part of the NYSE Alternext Trading Systems (defined below) operated on behalf of the Exchange by New York Stock Exchange LLC (“NYSE”).³ This proposed rule change establishes fees for that service.

Background

As described more fully in a related rule filing⁴, NYSE Euronext acquired The Amex Membership Corporation (“AMC”) pursuant to an Agreement and Plan of Merger, dated January 17, 2008 (the “Merger”). In connection with the Merger, the Exchange’s predecessor, the American Stock Exchange LLC (“Amex”), a subsidiary of AMC, became a subsidiary of NYSE Euronext called NYSE Alternext US LLC, and continues to operate as a national securities exchange registered under Section 6 of the Securities Exchange Act of 1934, as amended (the “Act”).⁵ The effective date of the Merger was October 1, 2008.

In connection with the Merger, on December 1, 2008, the Exchange relocated all equities trading conducted on the Exchange legacy trading systems and facilities located at 86 Trinity

³ The establishment of fees on the NYSE for the same services was formally submitted to the Securities and Exchange Commission through a separate filing, SR-NYSE-2009-15.

⁴ See Securities Exchange Act Release No. 58673 (September 29, 2008), 73 FR 57707 (October 3, 2008) (SR-NYSE-2008-60 and SR-Amex 2008-62) (approving the Merger).

⁵ 15 U.S.C. 78f.

Place, New York, New York (the “86 Trinity Trading Systems”), to trading systems and facilities located at 11 Wall Street, New York, New York (the “Equities Relocation”). The Exchange’s trading systems and facilities at 11 Wall Street (the “NYSE Alternext Trading Systems”) are operated by the NYSE on behalf of the Exchange.⁶

In order to implement the Equities Relocation, the Exchange adopted NYSE Rules 1-1004 as the NYSE Alternext Equities Rules to govern trading on the NYSE Alternext Trading Systems. Rule 54 - NYSE Alternext Equities provides that only members are permitted to “...make or accept bids or offers, consummate transactions, or otherwise transact business on the Floor for any security admitted to dealings on the [Exchange]....”⁷

On December 12, 2008, the Exchange filed with the Securities and Exchange Commission to establish its RMG service.⁸ RMG is a service designed to facilitate the ability of Sponsoring Member Organizations to monitor and oversee the sponsored access activity of their Sponsored Participants. NYXATS offers an order-verification service to Sponsoring Member Organizations that acts as a risk filter by causing the orders of Sponsored Participants to pass through RMG prior to entering the Exchange’s trading systems for execution. When a Sponsored Participant’s order passes through RMG, RMG software determines whether the order complies with order criteria that the Sponsoring Member Organization has established for that Sponsored Participant. The order criteria reviewed by RMG may include the size of the order or the credit limit that the Sponsoring Member Organization has established for the Sponsored Participant.

⁶ See Securities Exchange Act Release No. 58705 (October 1, 2008), 73 FR 58995 (October 8, 2008) (SR-Amex 2008-63) (approving the Equities Relocation).

⁷ See also Rule 2 - NYSE Alternext Equities.

⁸ See Securities Exchange Act Release No. 59353 (February 3, 2009), 74 FR 6935 (February 11, 2009) (SR-NYSEALTR-2008-12).

If the order is consistent with the parameters set by the Sponsoring Member Organization, RMG allows the order to continue along its path to the Exchange's trading systems. If the order falls outside of those parameters, then RMG returns the order to the Sponsored Participant. RMG will only return an order to the Sponsored Participant when the order fails to comply with the criteria set by the Sponsoring Member Organization.

The Exchange does not require Sponsoring Member Organizations to use RMG. Sponsoring Member Organizations are free to use a competing risk-management service or to use none at all.

The Exchange believes that RMG will offer its member organizations another option in the efficient risk management of its Sponsored Participant's access to the NYSE.

Fees

NYXATS proposes to charge each Sponsoring Member Organization Three Thousand Dollars (\$3,000) per month for the first Connection plus One Thousand Dollars (\$1,000) per month for each additional Connection.

A "Connection" is defined as up to 1000 messages per second inbound, regardless of the connection's actual capacity (i.e., if the NYXT infrastructure allows any single End User connection to support more than 1000 messages per second inbound, such connection will be deemed to be multiple Connections).

The Exchange believes that the proposed fee would be fair and reasonable and would reflect an equitable allocation of charges among members and others. The fee compares favorably with the fees that NYXATS' competitors charge for similar services. Of course, the marketplace will determine if the fee is too high relative to the value that the RMG service

provides because any market participant that feels that the fee is too high will simply elect to use the risk management services of one of NYXATS' competitors.

Technical Amendment to Price List

The Exchange further proposes through this filing to revise the date on the price list to reflect that it is applicable for the current year "2009".

2. Statutory Basis

The basis under the Securities Exchange Act of 1934 (the "1934 Act") for this proposed rule change are the requirement under Section 6(b)(4)⁹ that an exchange have rules that provide for the equitable allocation of reasonable dues, fees and other charges among its members and other persons using its facilities. The Exchange believes that RMG will promote marketplace efficiency by providing security safeguards to the trading of securities by means of sponsored access and believes that the proposed fee is fair and reasonable for the reasons cited above.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Exchange Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing proposed rule change is effective upon filing pursuant to Section

⁹ 15 U.S.C. 78f(b)(4).

19(b)(3)(A)(ii) of the Act¹⁰ and Rule 19b-4(f)(2) thereunder,¹¹ because it establishes or changes a due, fee, or other charge applicable only to a member imposed by the Exchange.

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
