E. Floor Broker Fixed Cost Prepayment Incentive Program (the “FB Prepay Program”)

The FB Prepay Program affords each Floor Broker organization the opportunity to prepay its annual “Eligible Fixed Costs” (set forth in the table below) for [the final nine months of 2018 (i.e., April - December)]2019, and to receive a 10% discount on all such Eligible Fixed Costs.

Participants in the FB Prepay Program qualify for larger discounts (i.e., more than 10% of the remainder of 2018 Eligible Fixed costs) expressed through Tiers by achieving growth in billable manual volume by a certain percentage as measured against one of two benchmarks (“Percentage Growth Incentive”). The Percentage Growth Incentive excludes Customer volume, Firm Facilitation trades, and QCCs. Any volume calculated to achieve the Firm Monthly Fee Cap and the Strategy Execution Fee Cap, regardless of whether either of these caps is achieved, will likewise be excluded from the Percentage Growth Incentive because fees on such volume are already capped and therefore such volume does not increase billable manual volume.

To qualify for the Percentage Growth Incentive, a participating Floor Broker organization must increase their ADV during [the final nine months of 2018 (i.e., April through December 2018)]2019 by the percentages set forth in the table below, above the greater of:

(i) 10,000 contract sides in billable manual ADV; or
(ii) 110% of the Floor Broker’s total billable manual ADV in contract sides during the second half of 2017 – i.e., July through December 2017.
