Pursuant to Section 19(b)(1)<sup>1</sup> of the Securities Exchange Act of 1934 (the “Act”)<sup>2</sup> and Rule 19b-4 thereunder,<sup>3</sup> notice is hereby given that, on February 23, 2023, NYSE American LLC (“NYSE American” or the “Exchange”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to (a) amend Article II, Section 2.03(b) of its operating agreement to provide that the board of directors of its ultimate parent or that board’s compensation committee may fix the compensation of the board of directors of the Exchange, and (b) make certain clarifying, technical and conforming changes to the operating agreement. The proposed rule change is available on the Exchange’s website at [www.nyse.com](http://www.nyse.com), at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to (a) amend Article II, Section 2.03(b) (Board) of the Twelfth Amended and Restated Operating Agreement of the Exchange (“Operating Agreement”) to provide that the board of directors of its ultimate parent, Intercontinental Exchange, Inc. (“ICE,” and its board of directors, the “ICE Board”) or the compensation committee of the ICE Board (the “ICE Compensation Committee”) may fix the compensation of the board of directors of the Exchange (the “Exchange Board”), and (b) make certain clarifying, technical and conforming changes to the Operating Agreement.

Proposed Amendment to Section 2.03(b)

Currently, Exchange directors are not entitled to compensation unless, and to the extent, approved by the sole member of the Exchange, NYSE Group, Inc. (“NYSE Group”).<sup>4</sup> NYSE Group is wholly owned by NYSE Holdings LLC, which is a wholly owned subsidiary of Intercontinental Exchange Holdings, Inc. Intercontinental Exchange Holdings, Inc. is in turn wholly owned by ICE, a public company listed on the New York Stock Exchange LLC

<sup>4</sup> See the first paragraph & Section 2.03(b) of the Operating Agreement.

(“NYSE”).<sup>5</sup>

The proposed change would move the responsibility to fix Exchange director compensation from NYSE Group to the ICE Board or the ICE Compensation Committee. To do so, the Exchange proposes amending Article II, Section 2.03(b) of the Operating Agreement as follows (proposed deletions bracketed, proposed additions underlined):

Compensation. [Directors of the Company, in their capacity as such, shall not be entitled to compensation, unless, and to the extent, approved by the Member.]Notwithstanding any provision of this Agreement to the contrary, the Board of Directors of Intercontinental Exchange, Inc. or the compensation committee thereof shall have the authority to fix the compensation of Directors of the Company. The Directors of the Company may be paid their expenses, if any, of attendance at each meeting of the Board and may be paid a fixed sum for attendance at each meeting of the Board or a stated salary as Director (which amounts may be paid in cash or such other form as the Board of Directors of Intercontinental Exchange, Inc. or the compensation committee thereof may from time to time authorize). No such payment shall preclude any Director from serving the Company in any other capacity and receiving compensation therefor.

As a result of the proposed change, compensation for the Exchange Board members would be fixed by a body that is required to have at least a majority of its members be independent.

<sup>5</sup> See Exchange Act Release No. 72156 (May 13, 2014), 79 FR 28782 (May 19, 2014) (SR-NYSEMKT-2014-41) (Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to Name Changes of Its Ultimate Parent, IntercontinentalExchange Group, Inc., and Its Indirect Parents, IntercontinentalExchange, Inc. and NYSE Euronext Holdings LLC).

Currently, the board of directors of NYSE Group is not required to be independent. This was not always true: when the New York Stock Exchange, Inc. combined with Archipelago Holdings, Inc. under NYSE Group in 2006, NYSE Group was publicly traded, required to have an independent board of directors, and subject to an independence policy.<sup>6</sup> That changed when NYSE Group combined with Euronext N.V. After that combination, NYSE Euronext, the publicly traded parent company, had an independent board of directors subject to an independence policy, and the board of directors of NYSE Group, which became a subsidiary of NYSE Euronext, did not.<sup>7</sup>

When ICE acquired NYSE Euronext, the requirement to have a majority of independent directors moved to ICE.<sup>8</sup> The requirement is in accordance with NYSE listing requirements,

The NYSE Group was expected to fix the compensation of the Exchange Board through a compensation committee. Id. at 11256.

See also Exhibit 5E to SR-NYSE-2006-120, Section 3.2 (deleting the independence requirements for the NYSE Group board of directors).

<sup>8</sup> See Securities Exchange Act Release No. 70210 (August 15, 2013), 78 FR 51758 (August 21, 2013) (SR-NYSE-2013-42; SR-NYSEMKT-2013-50; SR-NYSEArca-2013-62) (Order Granting Approval of Proposed Rule Change Relating to a Corporate Transaction in which NYSE Euronext Will Become a Wholly-Owned Subsidiary of IntercontinentalExchange Group, Inc.). IntercontinentalExchange Group, Inc., subsequently changed its name to IntercontinentalExchange, Inc. See 79 FR 28782, supra note 5. The ICE Board is subject to the requirements of the Independence Policy of the Board of Directors of Intercontinental Exchange, Inc., available at [https://s2.q4cdn.com/154085107/files/doc\\_downloads/governance\\_docs/ICE-Independence-Policy.pdf](https://s2.q4cdn.com/154085107/files/doc_downloads/governance_docs/ICE-Independence-Policy.pdf). The bylaws of ICE require that the members of the ICE Board take into consideration the effect that ICE's actions would have on the ability of the Exchange to carry out its responsibility under Exchange Act. See the Ninth Amended and

which require that listed companies have a majority of independent directors.<sup>9</sup> Accordingly, if the ICE Board fixed the compensation of the Exchange Board, the decision would be made by a body that required to have at least a majority of its members be independent.

If the ICE Compensation Committee fixed the Exchange Board compensation,<sup>10</sup> compensation decisions would be made by a body that is made up of independent members. As a company listed on the NYSE, ICE is required to have a compensation committee that is composed entirely of independent directors that satisfy the additional independence requirements specific to compensation committee members.<sup>11</sup>

The proposed rule text is more comprehensive than the provision it would replace since, unlike the Operating Agreement, it would provide that directors may be paid their expenses for attending board meetings and that they may receive compensation on a per-meeting basis or as a salary, clarify the form of compensation that may be granted, and note that the payment does not preclude a director from serving the Exchange in another capacity.

The Exchange operates as a separate self-regulatory organization and has rules, membership rosters and listings distinct from the rules, membership rosters and, where applicable, listings of its affiliates the NYSE, NYSE Arca, Inc., NYSE Chicago, Inc., and NYSE National, Inc. (collectively with the Exchange, the “NYSE Group Exchanges”). At the same time, however, the Exchange believes it is important for each of the NYSE Group Exchanges to have a consistent approach to corporate governance in certain matters, to simplify complexity and create greater consistency among the NYSE Group Exchanges.<sup>12</sup> To that end, each of the NYSE Group Exchanges is proposing a substantially similar change to its governing documents.<sup>13</sup>

The proposed amendment is based on Article III, Section 3.13 (Compensation of Directors) of the ICE Bylaws.<sup>14</sup>

#### Additional Proposed Amendments

The Exchange proposes to make the following non-substantive technical and conforming changes to the title, recitals and signature page of the Operating Agreement:<sup>15</sup>

Presently, three different entities fix the compensation of the boards of directors of the NYSE Group Exchanges: NYSE Group fixes the compensation of the directors of the NYSE American, NYSE, and NYSE National, Inc.; NYSE Chicago Holdings, Inc. fixes the compensation of the directors of NYSE Chicago, Inc.; and the board of directors of NYSE Arca, Inc. fixes its own compensation.

## 2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Exchange Act,<sup>16</sup> in general, and furthers the objectives of Section 6(b)(1)<sup>17</sup> in particular, in that it enables the Exchange to be so organized as to have the capacity to be able to carry out the purposes of the Exchange Act and to comply, and to enforce compliance by its exchange members and persons associated with its exchange members, with the provisions of the Exchange Act, the rules and regulations thereunder, and the rules of the Exchange. The Exchange also believes that the proposed rule change is consistent with Section 6(b)(5) of the Exchange Act,<sup>18</sup> in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest.

The Exchange believes that the proposed change would allow the Exchange to be so organized as to have the capacity to carry out the purposes of the Exchange Act and comply with the provisions of the Exchange Act by its members and persons associated with members, because the Exchange Board would no longer have its compensation fixed by a body whose members are not subject to independence requirements. The Exchange believes that it is more

<sup>17</sup> 15 U.S.C. 78f(b)(1).

<sup>18</sup> 15 U.S.C. 78f(b)(5).

advisable to have compensation determinations made by a body that is required to have at least a majority of its members be independent, like the ICE Board or ICE Compensation Committee. Otherwise, the compensation could be fixed by a body that is made up of employees or persons related to the Exchange. Indeed, the change would be consistent with prior practice, as immediately after the combination between New York Stock Exchange, Inc. and Archipelago Holdings, Inc., the members of the board of directors of NYSE Group were both subject to independence requirements and expected to fix the compensation of the Exchange Board through a compensation committee.<sup>19</sup> For the same reason, the Exchange believes that the change would contribute to the orderly operation of the Exchange and would promote the maintenance of a fair and orderly market, the protection of investors and the protection of the public interest.

The Exchange believes that because at least a majority of the members of the ICE Board and all of the ICE Compensation Committee must be independent, there is no substantial likelihood of a potential conflict of interest. Indeed, the Exchange believes that the proposal lessens the potential for conflicts of interest by eliminating the fixing of compensation by an entity that is not subject to any independence requirements. Further, the governing documents of ICE require that the members of the ICE Board take into consideration the effect that ICE's actions — including actions by the ICE Board or ICE Compensation Committee — would have on the ability of the Exchange “to carry out [its] responsibilities under the Exchange Act” and “to engage in conduct that fosters and does not interfere with the ability of the Exchange[ ] . . . to

remove impediments to and perfect the mechanisms of a free and open market in securities and a U.S. national securities market system; and . . . to protect investors and the public interest.”<sup>20</sup> For the foregoing reasons, the Exchange believes that the proposed change would allow the Exchange to be so organized as to have the capacity to carry out the purposes of the Exchange Act and comply with the provisions of the Exchange Act by its members and persons associated with members, and would contribute to the orderly operation of the Exchange and would promote the maintenance of a fair and orderly market, the protection of investors and the protection of the public interest.

Moreover, the Exchange believes that the proposal would promote greater consistency in the compensation philosophy and director compensation structure across affiliated exchanges, thereby promoting the maintenance of a fair and orderly markets, the protection of investors and the public interest. As noted above, the other NYSE Group Exchanges are filing similar proposed changes to their governing documents. By locating the authority to fix compensation in the hands of the ICE Board or the ICE Compensation Committee, the proposed change would permit compensation for each board of directors of an NYSE Group Exchange to be set centrally and with greater uniformity and consistency across affiliated exchanges. The Exchange believes that such conformity would streamline the NYSE Group Exchanges’ corporate processes and create more equivalent compensation processes among them, to the benefit of both investors and the public interest. The proposal also reflects the fact that, no matter the size or role of the relevant NYSE Group Exchange, every NYSE Group Exchange board of directors must manage its

business while considering the government of the exchange as an “exchange” within the meaning of the Exchange Act.<sup>21</sup>

The Exchange believes that the more comprehensive provision would remove impediments to and perfect the mechanism of a free and open market, as it would make the provision relating to director compensation more comprehensive and transparent for market participants, making it so that they can more easily navigate and understand the governing documents. As noted, the proposed text is more comprehensive than the provision it would replace and would set forth additional detail regarding the compensation that directors may receive such as whether expenses for attending board meetings may be paid, whether directors may receive compensation on a per-meeting basis or as a salary, and what form of compensation may be granted, and would clarify that payment does not preclude a director from serving the Exchange in another capacity. The Exchange believes that the greater additional detail would add transparency and clarity to the Exchange’s governing documents, and would not be inconsistent with the public interest and the protection of investors because investors will not be harmed and in fact would benefit from increased transparency and clarity, thereby reducing potential confusion.

Finally, the proposed non-substantive technical and conforming changes would remove impediments to and perfect the mechanism of a free and open market by ensuring that persons subject to the Exchange’s jurisdiction, regulators, and the investing public can more easily

The proposed non-substantive amendments also would not be inconsistent with the public interest and the protection of investors because investors will not be harmed and in fact would benefit from increased transparency and clarity, thereby reducing potential confusion.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Exchange Act. The proposed rule change is not intended to address competitive issues but rather is concerned solely with the corporate governance of the Exchange.
