January 18, 2008

Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Extending the Pilot Program for Expanded Position Limits for Options on the iShares® Russell 2000® Index Fund

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b-4 thereunder,² notice is hereby given that on January 14, 2008, NYSE Arca, Inc. (“Exchange” or “NYSE Arca”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which Items have been substantially prepared by the Exchange. The Exchange has designated this proposal as non-controversial under Section 19(b)(3)(A)(iii) of the Act³ and Rule 19b-4(f)(6) thereunder,⁴ which renders the proposed rule change effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange is proposing to amend Rule 6.8 in order to extend the pilot program (the “IWM Pilot Program”) that allows for increased position and exercise limits on options overlying the iShares® Russell 2000® Index Fund (“IWM”) traded on the Exchange. The text of the proposed rule change is available on the Exchange’s Web site (<http://www.nyse.com>), at the Exchange’s principal office, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The IWM Pilot Program provides for increased position and exercise limits for IWM options traded on NYSE Arca.⁵ Specifically, the IWM Pilot Program increases the position and exercise limits for IWM options from 250,000 contracts to 500,000 contracts.⁶

The purpose of this rule change is to extend the IWM Pilot Program through March 1, 2008. The Exchange is not proposing any other changes to the IWM Pilot Program at this time.

The Exchange believes that maintaining the increased position and exercise limits for IWM options will lead to a more liquid and competitive market environment for IWM options that will benefit all investors interested in trading this product. As a result, the Exchange

⁵ The proposal that established the IWM Pilot Program was designated by the Commission to be effective upon filing. See Securities Exchange Act Release No. 55185 (January 29, 2007), 72 FR 5481 (February 6, 2007) (SR-NYSEArca-2007-10). The IWM Pilot Program was subsequently extended and is due to expire on January 18, 2008. See Securities Exchange Act Release No. 56021 (July 6, 2007), 72 FR 38115 (July 12, 2007) (SR-NYSEArca-2007-58).

⁶ Pursuant to Commentary .03 of NYSE Arca Rule 6.9, the exercise limit established under Rule 6.9 for IWM options shall be equivalent to the position limit prescribed for IWM options in Commentary .06 under Rule 6.8. The increased exercise limits would only be in effect during the IWM Pilot Program.

believes that the above stated reasons justify the IWM Pilot Program and requests that the Commission extend the IWM Pilot Program through March 1, 2008.

NYSE Arca represents that it has not encountered any problems or difficulties relating to the IWM Pilot Program since its inception.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with and furthers the objectives of Section 6(b)(5) of the Act⁷ in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanisms of a free and open market and a national market system and, in general, to protect investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has designated the proposed rule change as one that: (1) does not significantly affect the protection of investors or the public interest; (2) does not impose any significant burden on competition; and (3) does not become operative for 30 days from the date of filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest. Therefore, the foregoing rule change has become effective

⁷ 15 U.S.C. 78f(b)(5).

pursuant to Section 19(b)(3)(A) of the Act⁸ and subparagraph (f)(6) of Rule 19b-4 thereunder.⁹ The Exchange has asked the Commission to waive the operative delay to permit the IWM Pilot Program extension to become effective prior to the 30th day after filing.

The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest because it will allow the benefits of the IWM Pilot Program to continue without interruption.¹⁰ Therefore, the Commission designates the proposal operative upon filing.

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate the rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments
