(Release No. 34-60967; File No. SR-NYSEArca-2009-84)

November 9, 2009

Self-Regulatory Organizations; NYSE Arca, Inc.; Order Approving a Proposed Rule Change, as Modified by Amendment No. 1 Thereto, Permitting Affiliation with NYFIX Millennium L.L.C. and NYFIX Securities Corporation

I. Introduction

On September 22, 2009, NYSE Arca, Inc. (“NYSE Arca” or “Exchange”) filed with the Securities and Exchange Commission (“Commission” or “SEC”) a proposed rule change, pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b-4 thereunder,² proposing that the Exchange be affiliated with two registered broker-dealer subsidiaries of NYFIX, Inc. (“NYFIX”), NYFIX Millennium L.L.C. (“NYFIX Millennium”) and NYFIX Securities Corporation (“NYFIX Securities”), for a period not to exceed six months and subject to certain limitations and obligations. The proposed rule change was published for comment in the Federal Register on October 5, 2009.³ On November 6, 2009, NYSE Arca filed Amendment No. 1 to the proposed rule change.⁴ The Commission received no comments on the proposal. This order approves the proposed rule change as modified by Amendment No. 1.

³ Securities Exchange Act Release No. 60738 (September 29, 2009), 74 FR 51211 (“Notice”).

⁴ In Amendment No. 1, the Exchange clarified that, with respect to the conditions on the Exchange’s affiliation with NYFIX Millennium and NYFIX Securities, references to NYFIX also refer to its subsidiaries, NYFIX Millennium and NYFIX Securities. This technical amendment does not require notice and comment, as it did not materially affect the substance of the rule filing.

II. Overview

On August 26, 2009, NYSE Technologies entered into an Agreement and Plan of Merger (“Merger Agreement”) with NYFIX and CBR Acquisition Corp., a Delaware corporation and a wholly owned subsidiary of NYSE Technologies. Under the terms of the Merger Agreement, CBR Acquisition Corp. will merge with and into NYFIX, with NYFIX surviving the merger as a direct wholly owned subsidiary of NYSE Technologies (“Merger”). Following the Merger, both the Exchange and NYFIX will be indirect wholly owned subsidiaries of NYSE Euronext. Consequently, NYFIX, and its subsidiaries NYFIX Millennium and NYFIX Securities, will be affiliates of the Exchange.

As a result of the Merger, NYSE Technologies will acquire, among other things, NYFIX’s Transaction Services Division. In the U.S., the Transaction Services Division is currently composed of two U.S. registered broker-dealer subsidiaries: NYFIX Millennium, which is also an alternative trading system registered under Regulation ATS under the Act;⁵ and, NYFIX Securities. In addition to other services provided by NYFIX Millennium and NYFIX Securities, (1) NYFIX Millennium provides routing of orders that are not matched within the NYFIX Millennium matching system to marketplaces such as exchanges, electronic communication networks, and ATSS, which are not operated by NYFIX; and (2) NYFIX Securities provides direct electronic market access and algorithmic trading products (together, “Routing Services”).

The Exchange proposes to be affiliated with NYFIX Millennium and NYFIX Securities for a period not to exceed six months and subject to certain terms and conditions that the Exchange believes effectively address concerns regarding the (1) the potential for conflicts of

interest where an exchange is affiliated with a broker-dealer conducting an order routing business that may interact with the Exchange itself, and (2) the potential for informational advantages that could place such an affiliated broker-dealer at a competitive advantage in comparison with other non-affiliated broker-dealers.

III. Discussion and Commission Findings

After careful consideration, the Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities exchange.⁶ In particular, the Commission finds that the proposed rule change is consistent with Section 6(b)(5) of the Act,⁷ which requires, among other things, that the rules of a national securities exchange be designed to prevent fraudulent and manipulative acts and practices; to promote just and equitable principles of trade; to foster cooperation and coordination with persons engaged in regulating, clearing, settling, and processing information with respect to, and facilitating transactions in securities; to remove impediments to and perfect the mechanism of a free and open market and a national market system; and, in general, to protect investors and the public interest.

In the past, the Commission has expressed concern that the affiliation of an exchange with one of its members raises potential conflicts of interest and the potential for unfair competitive advantage.⁸ The proposed relationship raises similar concerns in that the Exchange

⁸ See, e.g., Securities Exchange Act Release Nos. 54170 (July 18, 2006), 71 FR 42149 (July 25, 2006) (SR-NASDAQ-2006-006) (order approving Nasdaq's proposal to adopt Nasdaq Rule 2140, restricting affiliations between Nasdaq and its members); 53382 (February 27, 2006), 71 FR 11251 (March 6, 2006) (SR-NYSE-2005-77) (order

will be affiliated with two broker-dealers that provide Routing Services for orders that may be routed to the Exchange in competition with Exchange members. The Exchange has requested that the Commission approve its proposed affiliation with NYFIX Millennium and NYFIX Securities on a temporary basis, not to exceed six months, subject to certain conditions designed to address such concerns.

Specifically, so long as the Exchange is affiliated with NYFIX Millennium or NYFIX Securities and with respect to the Routing Services provided by each:⁹

- (1) Neither NYFIX Millennium nor NYFIX Securities are members of the Exchange nor will they become members of the Exchange;
- (2) NYFIX does not offer order routing services other than the Routing Services, and none of the Routing Services will be modified unless such modification is approved by the Commission;
- (3) NYFIX will not engage in proprietary trading;
- (4) NYFIX will not accept any new clients for the Routing Services after the Merger;
- (5) There will continue to be independent functionality of, and full public access to, NYSE facilities; and

⁹ For the conditions set forth below, references to NYFIX also refer to its subsidiaries NYFIX Millennium and NYFIX Securities. See Amendment No. 1, supra note 4.

(6) There will be a complete separation between NYFIX, on the one hand, and the Exchange and its affiliates, on the other (e.g., no shared office space, no shared employees, no shared systems).

The Exchange may furnish to NYFIX the same information on the same terms that the Exchange makes available in the normal course of business to any other person. Specifically:

(a) NYFIX must not be provided an information advantage concerning the operation of the Exchange or any of its facilities, particularly regarding changes and improvements to the trading systems, that are not available to the industry generally.

(b) NYFIX will be prevented from having any advance knowledge of proposed changes or modifications to the operations of the Exchange or its facilities, including but not limited to advance knowledge of related filings by the Exchange pursuant to Rule 19b-4 of the of the Act.¹⁰

(c) NYFIX will not share employees or databases with the Exchange, any facility of the Exchange, or any other affiliate of the Exchange or their facilities, and will be housed in a separate office.

(d) NYFIX will only be notified of any changes or improvements to any of the Exchange's operations or trading facilities in the same manner that other persons are notified of such changes or improvements;

(e) NYFIX will not disclose any system or design specifications, or any other information, to any employees of the Exchange, any facility of the Exchange, or any

other affiliate of the Exchange or their facilities that would give NYFIX an unfair advantage over its competitors.

(f) None of the Exchange, any facility of the Exchange, or any other affiliate of the Exchange or their facilities will disclose any system or design specifications, or any other information, to any employees of NYFIX or any affiliate of NYFIX that would give the Exchange, any other facility of the Exchange, any other affiliate of the Exchange, or NYFIX an unfair advantage over its competitors.

The Commission also notes that each of NYFIX Millennium and NYFIX Securities has the Financial Industry Regulatory Authority (“FINRA”), an unaffiliated self-regulatory organization (“SRO”), as its designated examining authority and neither broker-dealer is a member of the Exchange.¹¹

The Commission finds that the temporary proposed affiliation between the Exchange and NYFIX Millennium and NYFIX Securities, pursuant to the proposed terms and conditions, is consistent with the Act, particularly Section 6(b)(5) thereunder.¹² The Commission continues to be concerned about potential unfair competition and conflicts of interest when an exchange, or one of its affiliates, is the parent company of a broker-dealer that provides Routing Services that may be in competition with services provided by members of that exchange. The Commission believes, however, that the temporary nature of the affiliation, together with the proposed terms and conditions, are reasonably designed to mitigate concern about potential unfair competition and conflicts of interest between the commercial interests of the Exchange or its affiliates, and the Exchange’s regulatory responsibilities.
