Commentary:

.01 No change.

.02 Options on certain issues are subject to a penny pilot which will expire on December 31, 2012 [June 30, 2012]. The pilot issues will be announced to the Exchange’s membership via Regulatory Bulletin and published by the Exchange on its website.

The Exchange may replace any penny pilot issues that have been delisted with the next most actively traded multiply listed options classes that are not yet included in the penny pilot, based on trading activity in the previous six months.
