Section 19(b)(2) of the Act⁷ provides that, after initiating disapproval proceedings, the Commission shall issue an order approving or disapproving the proposed rule change not later than 180 days after the date of publication of notice of filing of the proposed rule change.⁸ The Commission may extend the period for issuing an order approving or disapproving the proposed rule change, however, by not more than 60 days if the Commission determines that a longer period is appropriate and publishes the reasons for such determination.⁹ The proposed rule change was published for notice and comment in the Federal Register on October 21, 2014. April 19, 2015, is 180 days from that date, and June 18, 2015, is 240 days from that date.

The Commission finds it appropriate to designate a longer period within which to issue an order approving or disapproving the proposed rule change so that it has sufficient time to consider the proposal, and the issues raised in NYSE Arca's comment letters.
