Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (the “Act”)² and Rule 19b-4 thereunder,³ notice is hereby given that, on September 11, 2015, NYSE Arca, Inc. (the “Exchange” or “NYSE Arca”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to reflect a change to the secondary benchmark index applicable to shares of the PIMCO Global Advantage[®] Inflation-Linked Bond Active Exchange-Traded Fund. The Fund is currently listed and traded on the Exchange under NYSE Arca Equities Rule 8.600. The text of the proposed rule change is available on the Exchange’s website at www.nyse.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements

concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Commission has approved a proposed rule change relating to listing and trading on the Exchange of shares (“Shares”) of the PIMCO Global Advantage[®] Inflation-Linked Bond Active Exchange-Traded Fund (“Fund”) under NYSE Arca Equities Rule 8.600⁴, which governs the listing and trading of Managed Fund Shares.⁵ The Shares are offered by PIMCO ETF Trust (the “Trust”), a statutory trust organized under the laws of the State of Delaware and registered with the Commission as an open-end management investment company.⁶ The investment

⁵ A Managed Fund Share is a security that represents an interest in an investment company registered under the Investment Company Act of 1940 (15 U.S.C. 80a-1) (“1940 Act”) organized as an open-end investment company or similar entity that invests in a portfolio of securities selected by its investment adviser consistent with its investment objectives and policies. In contrast, an open-end investment company that issues Investment Company Units, listed and traded on the Exchange under NYSE Arca Equities Rule 5.2(j)(3), seeks to provide investment results that correspond generally to the price and yield performance of a specific foreign or domestic stock index, fixed income securities index or combination thereof.

⁶ The Trust is registered under the Investment Company Act of 1940 (“1940 Act”). On October 27, 2014, the Trust filed with the Commission the most recent post-effective amendment to its registration statement under the Securities Act of 1933 (15 U.S.C. 77a)

manager to the Fund is Pacific Investment Management Company LLC (“PIMCO” or the “Adviser”). The Fund’s Shares are currently listed and traded on the Exchange under NYSE Arca Equities Rule 8.600.

According to the Registration Statement and the Prior Release, the Fund utilizes the PIMCO Global Advantage Inflation-Linked Bond Index[®] as a secondary benchmark. Going forward, the Fund proposes to utilize the PIMCO Global Advantage Inflation-Linked Bond Index[®] (USD Partially Hedged) as the Fund’s secondary benchmark. The proposal would change the secondary benchmark used by the Fund from an unhedged version of the index to one that is partially-hedged.

The Adviser represents that the proposed change to the secondary benchmark index is consistent with the Fund’s investment objective, and will further assist the Adviser to achieve such investment objective. The Adviser further represents that the change to the secondary benchmark index may better optimize the risk/return profile of the Fund as compared to the prior secondary benchmark index. Except for the change noted above, all other representations made in the Prior Release remain unchanged.⁷ The Fund will continue to comply with all initial and continued listing requirements under NYSE Arca Equities Rule 8.600.

(“1933 Act”) and under the 1940 Act relating to the Fund (File Nos. 333-155395 and 811-22250) (the “Registration Statement”). The description of the operation of the Trust and the Fund herein is based, in part, on the Registration Statement. A change to the name of the Fund from PIMCO Global Advantage[®] Inflation-Linked Bond Exchange-Traded Fund to PIMCO Global Advantage[®] Inflation-Linked Bond Active Exchange-Traded Fund was reflected in such amendment to the Registration Statement. In addition, the Commission has issued an order granting certain exemptive relief to the Trust under the 1940 Act. See Investment Company Act Release No. 28993 (November 10, 2009) (File No. 812-13571) (“Exemptive Order”).

⁷ See note 4, supra. All terms referenced but not defined herein are defined in the Prior Release.

Although the investment objective of the Fund is not changing, it will be indirectly affected by the proposed change because the Fund's investment objective is to seek "total return which exceeds that of its benchmark indexes, consistent with prudent investment management."

2. Statutory Basis

The basis under the Act for this proposed rule change is the requirement under Section 6(b)(5)⁸ that an exchange have rules that are designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to remove impediments to, and perfect the mechanism of a free and open market and, in general, to protect investors and the public interest.

The proposed rule change is designed to perfect the mechanism of a free and open market and, in general, to protect investors and the public interest. The proposed change to the Fund's secondary benchmark index will not adversely impact investors or Exchange trading. The proposal would change the secondary benchmark used by the Fund from an unhedged version of the index to one that is partially-hedged. The Adviser represents that the proposed change to the secondary benchmark index is consistent with the Fund's investment objective and will further assist the Adviser to achieve such investment objective. The Adviser further represents that the change to the secondary benchmark index may better optimize the risk/return profile of the Fund as compared to the prior secondary benchmark index. Except for the change noted above, all other representations made in the Prior Release remain unchanged.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purpose of the Act. The

Exchange believes the proposed rule change will enhance competition among issues of exchange-traded funds that invest in fixed income securities.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the proposed rule change does not (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act⁹ and Rule 19b-4(f)(6) thereunder.¹⁰

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B) of the Act¹¹ to determine whether the proposed rule change should be approved or disapproved.

As required under Rule 19b-4(f)(6)(iii), the Exchange provided the Commission with written notice of its intent to file the proposed rule change, along with a brief description and the text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission.
