(Release No. 34-79565; File No. SR-NYSEARCA-2016-163)

December 15, 2016

Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Extending Its Program that Allows Transactions to Take Place at a Price that is Below \$1 Per Option Contract until July 5, 2017

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (the “Act”)² and Rule 19b-4 thereunder,³ notice is hereby given that, on December 7, 2016, NYSE Arca, Inc. (the “Exchange” or “NYSE Arca”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to extend its program that allows transactions to take place at a price that is below \$1 per option contract until July 5, 2017. The proposed rule change is available on the Exchange’s website at www.nyse.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included

statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this filing is to extend the Pilot Program⁴ under Rule 6.80 to allow accommodation transactions (“Cabinet Trades”) to take place at a price that is below \$1 per option contract for one additional year [sic]. The Exchange proposes to extend the program, which is due to expire on January 5, 2017 until July 5, 2017. The proposed extension of the Pilot Program will provide the Exchange additional time to submit a separate proposed rule change under Section 19(b)(2) of the Securities Exchange Act of 1934 (the “Act”) to make the program permanent (“Permanent Filing”). In support of making the Pilot Program permanent, the Exchange represents that, in the Permanent Filing, it would provide statistics related to Cabinet Trades that were executed in calendar year 2016 and describe the manner in which Cabinet Trades are cleared and processed.

An “accommodation” or “cabinet” trade refers to trades in listed options on the Exchange that are worthless or not actively traded. Cabinet trading is generally conducted in accordance with Exchange Rules, except as provided in Exchange Rule 6.80, Accommodation Transactions (Cabinet Trades), which sets forth specific

procedures for engaging in cabinet trades. Rule 6.80 currently provides for cabinet transactions to occur via open outcry at a cabinet price of a \$1 per option contract in any options series open for trading on the Exchange, except that the Rule is not applicable to trading in option classes participating in the Penny Pilot Program. Under the procedures, bids and offers (whether opening or closing a position) at a price of \$1 per option contract may be represented in the trading crowd by a Floor Broker or by a Market Maker or provided in response to a request by a Trading Official, a Floor Broker or a Market Maker, but must yield priority to all resting orders in the Cabinet (those orders held by the Trading Official, and which resting cabinet orders may be closing only). Provided that both the buyer and the seller yield to orders resting in the cabinet book, opening cabinet bids can trade with opening cabinet offers at \$1 per option contract.

The Exchange has temporarily amended the procedures through January 5, 2017 to allow transactions to take place in open outcry at a price of at least \$0 but less than \$1 per option contract. These lower-priced transactions are permitted to be traded pursuant to the same procedures applicable to \$1 cabinet trades, except that (i) bids and offers for opening transactions are only permitted to accommodate closing transactions in order to limit use of the procedure to liquidations of existing positions, and (ii) the procedures are also made available for trading in option classes participating in the Penny Pilot Program.⁵ The Exchange believes that allowing a price of at least \$0 but

⁵ Currently, the \$1 cabinet trading procedures are limited to options classes traded in \$0.05 or \$0.10 standard increment. The \$1 cabinet trading procedures are not available in Penny Pilot Program classes because in those classes an option series can trade in a standard increment as low as \$0.01 per share (or \$1.00 per option contract with a 100 share multiplier). Because the temporary procedures allow trading below \$0.01 per share (or \$1.00 per option contract with a 100

less than \$1 better accommodates the closing of options positions in series that are worthless or not actively traded, particularly in the event where there has been a significant movement in the price of the underlying security that results in a large number of series being out-of-the-money. For example, a market participant might have a long position in a put series with a strike price of \$30 and the underlying stock might be trading at \$100. In such an instance, there might not otherwise be a market for that person to close-out the position even at the \$1 cabinet price (e.g., the series might be quoted no bid).

As with other accommodation liquidations under Rule 6.80, transactions that occur for less than \$1 will not be disseminated to the public on the consolidated tape. In addition, as with other accommodation liquidations under Rule 6.80, the transactions will be exempt from the Consolidated Options Audit Trail (“COATS”) requirements of Exchange Rule 6.67 Order Format and System Entry Requirements. However, the Exchange will maintain quotation, order and transaction information for the transactions in the same format as the COATS data is maintained. In this regard, all transactions for less than \$1 must be reported to the Exchange following the close of each business day.

2. Statutory Basis

The Exchange believes that this proposed rule change is consistent with Section 6(b) of the Act⁶, in general, and furthers the objectives of Section 6(b)(5) of the Act⁷ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices,

promote just and equitable principles of trade, remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. The Exchange believes that allowing for liquidations at a price less than \$1 per option contract will better facilitate the closing of options positions that are worthless or not actively trading, especially in Penny Pilot issues where Cabinet Trades are not otherwise permitted.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change is to extend an established pilot program for an additional six months and continue to facilitate OTP Holders ability to close positions in worthless or not actively traded series.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act⁸ and Rule 19b-4(f)(6) thereunder.⁹ Because the proposed rule

⁹ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6)(iii) requires the Exchange to give the Commission written notice of the Exchange's intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act and Rule 19b-4(f)(6)(iii) thereunder.

A proposed rule change filed under Rule 19b-4(f)(6)¹⁰ normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),¹¹ the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the Pilot Program may continue without interruption. The Commission believes that the proposed rule change is consistent with the protection of investors and the public interest because it will allow the pilot to continue uninterrupted, thereby avoiding any potential investor confusion that could result from a temporary interruption in the pilot and allowing members to continue to benefit from the Pilot Program. Based on the foregoing, the Commission hereby waives the 30-day operative delay and designates the proposal operative upon filing.¹²

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the

Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)¹³ of the Act to determine whether the proposed rule change should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic comments:

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
