September 25, 2013

Self-Regulatory Organizations; NYSE MKT LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change to Amend the NYSE Amex Options Fee Schedule to Specify the Frequency with which the Exchange May Change the Options Regulatory Fee

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”)¹ and Rule 19b-4 thereunder,² notice is hereby given that on September 13, 2013, NYSE MKT LLC (“NYSE MKT” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend the NYSE Amex Options Fee Schedule (“Fee Schedule”) to specify the frequency with which the Exchange may change the Options Regulatory Fee (“ORF”). The Exchange proposes to implement the change effective October 1, 2013. The text of the proposed rule change is available on the Exchange’s website at www.nyse.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it

received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend the Fee Schedule to specify the frequency with which the Exchange may change the ORF. The Exchange proposes to implement the change effective October 1, 2013.

The ORF is assessed by the Exchange on each ATP Holder for all options transactions, including mini-options, executed or cleared by the ATP Holder that are cleared by The Options Clearing Corporation ("OCC") in the customer range (i.e., transactions that clear in the customer account of the ATP Holder's clearing firm at OCC) regardless of the exchange on which the transaction occurs. The fee is collected indirectly from ATP Holders through their clearing firms by OCC on behalf of the Exchange. The dues and fees paid by ATP Holders go into the general funds of the Exchange, a portion of which is used to help pay the costs of regulation.

In response to feedback from participants requesting greater certainty as to when ORF changes may occur, the Exchange proposes to specify in the Fee Schedule that the Exchange may only increase or decrease the ORF semi-annually, and any such fee change will be effective on the first business day of February or August.³ In addition to submitting a proposed rule change to the Securities and Exchange Commission ("Commission") as required by the Act to

³ The Commission notes that in a prior filing, the Exchange committed to continue to monitor the amount of revenue collected from the ORF so that it, in combination with its other regulatory fees and fines, does not exceed regulatory costs. *See, e.g.*, Securities Exchange Act Release No. 68183 (November 8, 2012), 77 FR 68186 (November 15, 2012) (SR-NYSEMKT-2012-54).

increase or decrease the ORF, the Exchange will notify participants via a Trader Update of any anticipated change in the amount of the fee at least 30 calendar days prior to the effective date of the change. The Exchange believes that by providing guidance on the timing of any changes to the ORF, the Exchange would make it easier for participants to ensure their systems are configured to properly account for the ORF.

The proposed change is not intended to address any other issues, and the Exchange is not aware of any problems that ATP Firms would have in complying with the proposed change.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act,⁴ in general, and furthers the objectives of Sections 6(b)(4) and (5) of the Act,⁵ in particular, because it provides for the equitable allocation of reasonable dues, fees, and other charges among its members, issuers and other persons using its facilities and does not unfairly discriminate between customers, issuers, brokers or dealers.

The Exchange believes that the proposed change to limit changes to the ORF to twice a year on specific dates with advance notice is reasonable because it will give participants certainty on the timing of changes, if any, and better enable them to properly account for ORF charges among their customers. The Exchange believes that the proposed change is equitable and not unfairly discriminatory because it will apply in the same manner to all ATP Holders that are subject to the ORF and provide them with additional advance notice of changes to that fee.

B. Self-Regulatory Organization's Statement on Burden on Competition

In accordance with Section 6(b)(8) of the Act,⁶ the Exchange does not believe that the

proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed change is not intended to address a competitive issue but rather to provide ATP Holders with better notice of any change that the Exchange may make to the ORF. In any event, because competitors are free to modify their own fees and credits in response, and because market participants may readily adjust their trading practices, the Exchange believes that the degree to which fee or credit changes in this market may impose any burden on competition is extremely limited. As a result of all of these considerations, the Exchange does not believe that the proposed change will impair the ability of ATP Holders or competing order execution venues to maintain their competitive standing in the financial markets.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change is effective upon filing pursuant to Section 19(b)(3)(A)⁷ of the Act and subparagraph (f)(2) of Rule 19b-4⁸ thereunder, because it establishes a due, fee, or other charge imposed by the Exchange.

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the
