(A) Clearing Agency's Statement of the Purpose of, and Statutory Basis for, the Advance Notice

This advance notice concerns the GC Charter. The Board authorized formation of the Governance Committee ("GC") at its May 21, 2013, meeting and approved the GC Charter at its September 24, 2013, meeting. As set forth in the GC Charter, the purpose of the GC is to review the overall corporate governance of OCC and recommend improvements to OCC's Board. The GC Charter describes the role the GC plays in assisting the Board in fulfilling its responsibilities, as described in OCC's By-Laws and Rules, as well as specifying the policies and procedures governing the membership and organization, scope of authority, and specific functions and responsibilities of the GC. In addition, the guidelines for the composition of the GC as well as the policies regarding its meeting schedule, quorum rules, minute-keeping and reporting requirements are set forth in the GC Charter and conform to applicable requirements specified in OCC's By-Laws and Rules.

The GC is composed of not fewer than five Directors with at least one Public Director, one Exchange Director and one Member Director. Management Directors will not be members of the GC. The Board will designate a GC Chair and if the Chair is not present at a meeting, the members who are present will designate a member to serve as the Acting Chair. The GC will meet at least four times a year and a majority of the GC members constitutes a quorum. The GC is permitted to call executive sessions from which guests of the GC may be excluded, and GC members are permitted to participate in all meetings by conference telephone call or other means of communication that permit all meeting participants to hear each other. The GC Chair, or the Chair's designee, will report regularly to the Board on the GC's activities.

The GC Charter sets forth certain functions and responsibilities for the GC including, but not limited to, the following: review the composition of the Board as a whole, including the

Board's balance of participant and non-participant directors, business specialization, technical skills, diversity and other desired qualifications; review the Board's Charter for consistency with regulatory requirements, transparency of the governance process and other sound governance practice and recommend changes to the Board, where appropriate; review the committee structure of the Board, including the GC, and recommend changes to the Board, where appropriate; review OCC's policies and procedures for identifying and reviewing Board nominee candidates, including the criteria for Board nominees; develop and recommend to the Board a periodic process of self-evaluation of the role and performance of the Board, its committees and management in the governance of OCC; review OCC's policies on conflicts of interest of directors, including the OCC Directors Code of Conduct and recommend changes, where appropriate; and, review OCC's new director orientation program as well as OCC's training and education programs for Board members and recommend changes, where appropriate. In addition to the foregoing, the GC may undertake other and different activities, as appropriate, or as may be delegated to it by the Board. In discharging its role, the GC shall confer with management and other employees of OCC to the extent the GC deems it necessary to so to fulfill its duties.³

This advance notice is consistent with Section 806(e)(1)(A)⁴ of the Clearing Supervision Act because the proposed change could be deemed to materially affect the nature or level of risks presented by OCC. The implementation of the GC may result in changes that will improve OCC's overall risk management process. In addition, the adoption of the GC Charter will reduce the amount of systemic risk OCC presents to the financial system because it will enhance the

³ The GC, subject to the approval of the Board, is permitted to hire specialists or rely on outside advisors or specialists to assist it in carrying out the GC's activities. The GC has the authority to approve the fees and retention terms of such advisors and specialists.
