Application of the Clearing Fund

SECTION 5.

(b)

(i) If any bank or securities or commodities clearing organization shall fail to perform any obligation to the Corporation when due because of its bankruptcy, insolvency, receivership, suspension of operations, or because of any similar event, and the Corporation shall sustain a loss (whether directly or as a trustee, custodian, or secured party) by reason thereof that is not recoverable out of the Clearing Fund pursuant to paragraph (a), the Corporation may, in its discretion, reimburse itself for such loss out of the

Clearing Fund pursuant to this paragraph (b)(i), and the amount of any such reimbursement shall be charged proportionately against all Clearing Members' computed contributions to the Clearing Fund as fixed at the time.

(ii) With respect to any borrowing by the Corporation for liquidity needs for same day settlement pursuant to the authority in paragraph (e) of this Section 5, if such borrowing remains outstanding for a period of less than thirty days, the Corporation may, in its discretion, consider such amount an actual loss to the Clearing Fund and the amount of any such loss shall be charged proportionately against all Clearing Members' computed contributions to the Clearing Fund as fixed at the time, provided however, that if such borrowing remains outstanding on the thirtieth day, the Corporation shall consider such amount an actual loss to the Clearing Fund and the amount of any such loss shall be charged proportionately against all Clearing Members' computed contributions to the Clearing Fund as fixed at the time.

To the extent that a loss resulting from any of the events referred to in this paragraph (b) is recoverable out of the Clearing Fund pursuant to paragraph (a), the provisions of ~~such~~ paragraph (a) shall control, and this paragraph (b) shall be inapplicable

(e) If (i) the Corporation deems it necessary or advisable to borrow or otherwise obtain funds from third parties in order to meet obligations arising out of the default or suspension of a Clearing Member or any action taken by the Corporation in connection therewith pursuant to Chapter XI of the Rules or otherwise; or (ii) the Corporation sustains a loss reimbursable out of the Clearing Fund pursuant to paragraph (b) but elects to borrow or otherwise obtain funds from third parties in lieu of immediately charging such loss to the Clearing Fund; or (iii) the Corporation reasonably believes it necessary to borrow to meet its liquidity needs for same-day settlement as a result of the failure of any bank or securities or commodities clearing organization to achieve daily settlement, and in ~~anyeither~~ case the Corporation determines that it will be unable to borrow or otherwise obtain such funds on acceptable terms on an unsecured basis; then the Corporation may take possession of cash or securities deposited by Clearing Members as contributions to the Clearing Fund and securities in which cash contributions to the Clearing Fund have been invested by the Corporation and use such assets to borrow or otherwise obtain funds through any means determined to be reasonable by the Executive Chairman, Chief Operating Officer or the Chief Administrative Officer of the Corporation in his discretion (including, without limitation, pledging such assets as security for loans and/or using such assets to effect repurchase, securities lending or other transactions); provided, in the case of any transaction effected under the circumstances specified in clause (i) or clause (iii) above, that the funds obtained through such transaction will be used solely for the purposes described in clause (i) or clause (iii), as applicable. The funds obtained by the Corporation pursuant to this paragraph (e), irrespective of how such funds are applied,

shall not be deemed to be charges against the Clearing Fund for a period not to exceed thirty days, and, during said period, shall not affect the amount or timing of any charges otherwise required to be made against the Clearing Fund pursuant to this Section. If all or a part of any transaction effected by the Corporation pursuant to this paragraph (e) remains outstanding after thirty days, the Corporation, at the close of business of the thirtieth day (or on the first Business Day thereafter), shall consider the amount of Clearing Fund assets used to support the Corporation's obligations under the outstanding transaction as an actual loss to the Clearing Fund and immediately allocate such loss in accordance with this Section.
