II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item III below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to extend for one year the pilot program establishing Exchange fees for Principal ("P") Orders and Principal Acting as Agent ("P/A") Orders executed on the Exchange that are submitted through Linkage. The fees currently are effective for a pilot program set to expire on July 31, 2005, and this proposal would extend such fees through July 31, 2006. The two fees the Exchange charges for P and P/A orders are: the basic execution fee for trading on the Exchange; and a \$.05 comparison fee, each per contract side. These are the same fees that all PCX Option Trading Permit Holders pay for non-customer transactions executed on the Exchange. The Exchange does not charge for the execution of Satisfaction Orders sent through Linkage and is not proposing to charge for such orders.

conversation between Steven Matlin, Senior Counsel, Exchange, and Kim Allen, Attorney, Division of Market Regulation, on July 26, 2005.

2. Statutory Basis

The Exchange believes that the proposal is consistent with Section 6(b) of the Act,⁴ in general, and Section 6(b)(4) of the Act⁵ in particular, in that the proposed rule change provides for the equitable allocation of dues, fees and other charges among its members and other persons using its facilities for the purpose of executing P/A Orders or P Orders that are routed to the Exchange from other market centers.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

The Exchange has neither solicited nor received written comments on the proposed rule change.

IV. Commission's Findings and Order Granting Accelerated Approval of the Proposed Rule Change

After careful consideration, the Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to

a national securities exchange,⁶ and, in particular, the requirements of Section 6(b) of the Act⁷ and the rules and regulations thereunder. The Commission finds that the proposed rule change is consistent with Section 6(b)(4) of the Act,⁸ which requires that the rules of the Exchange provide for the equitable allocation of reasonable dues, fees and other charges among its members and other persons using its facilities. The Commission believes that the extension of the Linkage fee pilot until July 31, 2006 will give the Exchange and the Commission further opportunity to evaluate whether such fees are appropriate.

The Commission finds good cause pursuant to Section 19(b)(2) of the Act,⁹ for approving the proposed rule change prior to the thirtieth day after publication of notice thereof in the Federal Register. The Commission believes that granting accelerated approval of the proposed rule change will preserve the Exchange's existing pilot program for Linkage fees without interruption as the Exchange and the Commission further consider the appropriateness of Linkage fees.

⁶ In approving this proposal, the Commission has considered the proposed rule's impact on efficiency, competition, and capital formation. 15 U.S.C. 78c(f).

V. Conclusion

IT IS THEREFORE ORDERED, pursuant to Section 19(b)(2) of the Act,¹⁰ that the proposed rule change (SR-PCX-2005-86) is hereby approved on an accelerated basis for a pilot period to expire on July 31, 2006.
