places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to improve the Exchange's program for qualification of members by updating its floor qualification examination. The Exchange has employed a written floor qualification examination, which is required for persons seeking to act as members on the trading floor,<sup>3</sup> for many years. The examination was last amended in late 2010.<sup>4</sup>

At this time, the Exchange proposes to update the exam in a variety of ways. The exam would continue to be comprised of 100 questions, randomly and electronically selected from a question bank of approximately 172 questions. The floor qualification examination is administered by the Exchange's membership department, and requires a passing score of 70 during a 75 minute testing period.

In terms of outdated questions, the Exchange proposes to delete about 19 obsolete or confusing questions, mostly pertaining to manual trading, which is less prevalent today. The Exchange proposes to modify approximately 38 questions to make various minor corrections and clarifications reflecting changes over time. Similarly, the Exchange proposes to add approximately 17 new questions generally covering Qualified Contingent Cross Orders, Complex Orders, Remote Specialists, and price improvement.

<sup>4</sup> See Securities Exchange Act Release No. 63603 (December 22, 2010), 75 FR 82419 (December 30, 2010) (SR-Phlx-2010-180). See also Securities Exchange Act Release No. 33304 (December 9, 1993), 58 FR 65613 (December 15, 1993)(SR-Phlx-92-34).

## 2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act<sup>5</sup> in general, and furthers the objectives of Section 6(b)(5) of the Act<sup>6</sup> in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest. In addition, the Exchange believes that the proposed rule change is consistent with Section 6(c)(3)(B) of the Act,<sup>7</sup> which authorizes exchanges to prescribe standards of training, experience and competence for persons associated with exchange members, and gives exchanges the authority to bar a natural person from becoming a member or a person associated with a member, if the person does not meet the standards of training, experience and competence prescribed in the rules of the exchange. The Exchange believes that revising its floor member qualification examination should better test the knowledge of its floor members, and thereby enhance the Exchange's standards for training, experience and competence.

### B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

### C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were either solicited or received.

### III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Pursuant to Section 19(b)(3)(A) of the Act<sup>8</sup> and Rule 19b-4(f)(1)<sup>9</sup> thereunder, the Exchange has designated this proposal as one that constitutes a stated policy, practice or interpretation with respect to the meaning, administration, or enforcement of an existing rule of the SRO, and therefore has become effective.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
