Self-Regulatory Organizations; Philadelphia Stock Exchange, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to the Extension of a Pilot Program Concerning Option Position Limits

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on February 28, 2006, the Philadelphia Stock Exchange, Inc. (“Phlx” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the Phlx. The Exchange has filed the proposal as a “non-controversial” rule change pursuant to Section 19(b)(3)(A) of the Act<sup>3</sup> and Rule 19b-4(f)(6) thereunder,<sup>4</sup> which renders it effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Phlx included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to extend the Pilot Program, which is scheduled to expire March 3, 2006,<sup>6</sup> for approximately an additional six-month period, through September 1, 2006.

Position limits impose a ceiling on the number of option contracts in each class on the same side of the market relating to the same underlying security that can be held or written by an investor or group of investors acting in concert. Exchange Rule 1002 (not proposed to be amended herein) establishes corresponding exercise limits. Exercise limits prohibit an investor

<sup>6</sup> See Securities Exchange Act Release No. 51322 (March 4, 2005), 70 FR 12260 (March 11, 2005) (notice of filing and immediate effectiveness of File No. SR-Phlx-2005-17). See also Securities Exchange Act Release No. 52261 (August 15, 2005), 70 FR 49004 (August 22, 2005) (notice of filing and immediate effectiveness of File No. SR-Phlx-2005-51, which extended the Pilot Program)

or group of investors acting in concert from exercising more than a specified number of puts or calls in a particular class within five consecutive business days.

Exchange Rule 1001 subjects equity options to one of five different position limits depending on the trading volume and outstanding shares of the underlying security. Exchange Rule 1002 establishes exercise limits for the corresponding options at the same levels as the corresponding security's position limits.<sup>7</sup>

### **Standard Position and Exercise Limit**

The Pilot Program increases the standard position and exercise limits for equity options traded on the Exchange and for options overlying QQQQ to the following levels:

<b>Standard Equity Option Contract Limit<sup>8</sup></b>	<b>Pilot Program Equity Option Contract Limit</b>
13,500 contracts	25,000 contracts
22,500 contracts	50,000 contracts
31,500 contracts	75,000 contracts
60,000 contracts	200,000 contracts
75,000 contracts	250,000 contracts

<sup>7</sup> Exchange Rule 1002 states, in relevant part, “. . . no member or member organization shall exercise, for any account in which such member or member organization has an interest or for the account of any partner, officer, director or employee thereof or for the account of any customer, a long position in any option contract of a class of options dealt in on the Exchange (or, respecting an option not dealt in on the Exchange, another exchange if the member or member organization is not a member of that exchange) if as a result thereof such member or member organization, or partner, officer, director or employee thereof or customer, acting alone or in concert with others, directly or indirectly, has or will have exercised within any five (5) consecutive business days aggregate long positions in that class (put or call) as set forth as the position limit in Rule 1001, in the case of options on a stock or on an Exchange-Traded Fund Share. . . .”

<sup>8</sup> Except when the Pilot Program is in effect.

<b>Standard QQQQ Option Contract Limit</b>	<b>Pilot Program QQQQ Option Contract Limit</b>
300,000 contracts	900,000 contracts

To date, the Exchange believes that there have been no adverse affects on the market as a result of these increases in the limits for equity option contracts and options overlying QQQQ.

## 2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act<sup>9</sup> in general, and furthers the objective of Section 6(b)(5) of the Act<sup>10</sup> in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanisms of a free and open market and the national market system, and, in general to protect investors and the public interest, by extending the Pilot Program for approximately an additional six months.

### B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

### C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

## III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the forgoing rule change does not: (1) significantly affect the protection of investors or the public interest; (2) impose any significant burden on competition; and (3) become operative for 30 days after the date of this filing, or such shorter time as the Commission

<sup>9</sup> 15 U.S.C. 78f(b).

<sup>10</sup> 15 U.S.C. 78f(b)(5).

may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>11</sup> and Rule 19b-4(f)(6) thereunder.<sup>12</sup>

A proposed rule change filed under 19b-4(f)(6) normally may not become operative prior to 30 days after the date of filing.<sup>13</sup> However, Rule 19b-4(f)(6)(iii)<sup>14</sup> permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange provided the Commission with written notice of its intent to file this proposed rule change at least five business days prior to the date of filing the proposed rule change. In addition, the Exchange has requested that the Commission waive the 30-day pre-operative delay. The Commission believes that waiving the 30-day pre-operative delay is consistent with the protection of investors and in the public interest because it will allow the Pilot Program to continue uninterrupted.<sup>15</sup>

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the Act.

<sup>13</sup> 17 CFR 240.19b-4(f)(6)(iii).

<sup>14</sup> Id.

<sup>15</sup> For the purposes only of waiving the pre-operative delay, the Commission has considered the proposed rule's impact on efficiency, competition, and capital formation. 15 U.S.C. 78c(f).
