Self-Regulatory Organizations; Topaz Exchange LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change to Amend the Schedule of Fees

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”), and Rule 19b-4 thereunder, notice is hereby given that on October 22, 2013, the Topaz Exchange, LLC (d/b/a ISE Gemini) (the “Exchange” or “Topaz”) filed with the Securities and Exchange Commission the proposed rule change, as described in Items I, II, and III below, which items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

Topaz is proposing to amend its Schedule of Fees to adopt a continuing education fee for Series 56 registered persons. The text of the proposed rule change is available on the Exchange’s Internet website at http://www.ise.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in Sections A, B and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to amend the Schedule of Fees to adopt a fee for a new continuing education program, the S501, which is required for persons who are registered as Proprietary Traders (i.e., Series 56) and do not maintain any other registration.

The S501 addresses the continuing education of Proprietary Traders, based on the content outline for the Series 56 exam, which covers the main categories of rules and regulations generally applicable to such persons. These generally include recordkeeping and recording requirements, types and characteristics of securities and investments, trading practices and display execution and trading systems. Each Proprietary Trader required to take the S501 must complete the continuing education program within 120 days after their second registration anniversary date, and every three years thereafter or as otherwise prescribed by the Exchange.

The Exchange proposes to adopt a $60 fee for the S501 continuing education program, which will be used for the administration of the S501. The Financial Industry Regulatory Authority (“FINRA”) administers this program on behalf of the exchanges and therefore the fees

4 Individuals that are registered under any other registration are required to maintain the continuing education obligations associated with such registrations. For example, an individual that engages solely in proprietary trading activities but has passed the Series 7 and is registered as a General Securities Representative will be required to continue taking the Series 7 continuing education program (S101). are payable directly to FINRA. The Exchange expects that the other exchanges that recognize the Proprietary Trader registration either have or will adopt the same fee for continuing education.\(^5\)

The Exchange’s Schedule of Fees does not currently set forth the session fees for other continuing education programs required by the Exchange because these programs are within the jurisdiction of FINRA, which collects these session fees from its members. The Series 56, however, applies to Topaz Members that are not required by Section 15(b)(8) of the Act\(^6\) to become members of FINRA. Therefore, the Exchange believes it is appropriate to include the Series 56 continuing education fee within the Exchange’s Schedule of Fees to make the cost of this program clear to Topaz Members.

2. **Statutory Basis**

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,\(^7\) in general, and furthers the objectives of Section 6(b)(4) of the Act,\(^8\) in particular, in that it provides for an equitable allocation of reasonable fees and other charges among Exchange Members and other persons using its facilities. The proposed fee is equitable and not unfairly discriminatory, because it applies equally to all persons registered solely as Proprietary Traders. The Exchange notes that it will not invoice or collect funds from Members that are subject to these fees because these fees will be paid directly to FINRA as administrator of the continuing education program. The proposed fees are reasonably designed to allow FINRA to cover its cost.

of administering the Series 56 continuing education program on behalf of the Exchange, and the
Exchange believes it is reasonable and equitable to include these fees in its Schedule of Fees to
make the costs of the Series 56 continuing education program clear to Members. Moreover, the
Exchange believes other exchanges will be assessing the same fees for this continuing education
program.9

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on
competition that is not necessary or appropriate in furtherance of the purposes of the Act. The
Exchange does not believe that the proposed rule change will affect intermarket competition
because all of the exchanges that recognize the Proprietary Trader registration category are
expected to adopt the same continuing education fee.10 Furthermore, the Exchange does not
believe the proposed rule change will affect intramarket competition because all Proprietary
Traders required to complete the new S501 continuing education program will pay the same
continuing education fee.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule
Change Received from Members, Participants or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed
rule change. The Exchange has not received any unsolicited written comments from members or
other interested parties.

9 See supra notes 3 and 5.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act,\(^\text{11}\) and subparagraph (f)(2) of Rule 19b-4 thereunder,\(^\text{12}\) because it establishes a due, fee, or other charge imposed by Topaz.

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
