

*J. Phillip R. Jones, CPA, Director External Reporting and Accounting Policy and Procedures, DuPont Company*

Phil joined DuPont in 1978 and has held numerous positions in finance and accounting over his 28 year career with the company. Phil, currently, as Director - External Reporting and Accounting Policy and Procedures is responsible for the company's SEC 10K and Q filings, interpretation and application of US GAAP globally for the company.

He began his career working as an accountant at several different U.S. plants in staff and supervisory positions. During the late 1980's he spent several years as controller of DuPont's subsidiary in Puerto Rico. Phil also served as financial manager supporting DuPont's global technology operations. Phil led the company's development of carve-out financial statements for several significant transactions involving major business portfolio changes.

Phil is an accounting graduate of N.C. State University, a CPA, and a member of the American Institute of Certified Public Accountants.
