About Me

About MOJO

We are a creative consultancy.

We create value and deliver irresistible experiences, products and services to internal and external audiences alike

We are **creators.**

**We've brought together some
of the best minds:**

Strategists

Creatives

Technologists

Designers

Data Scientists

Ethnographers

Linguists

Our Verticals

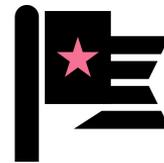

Creative

- Experience Design
- Product
- Content
- Strategic Communications

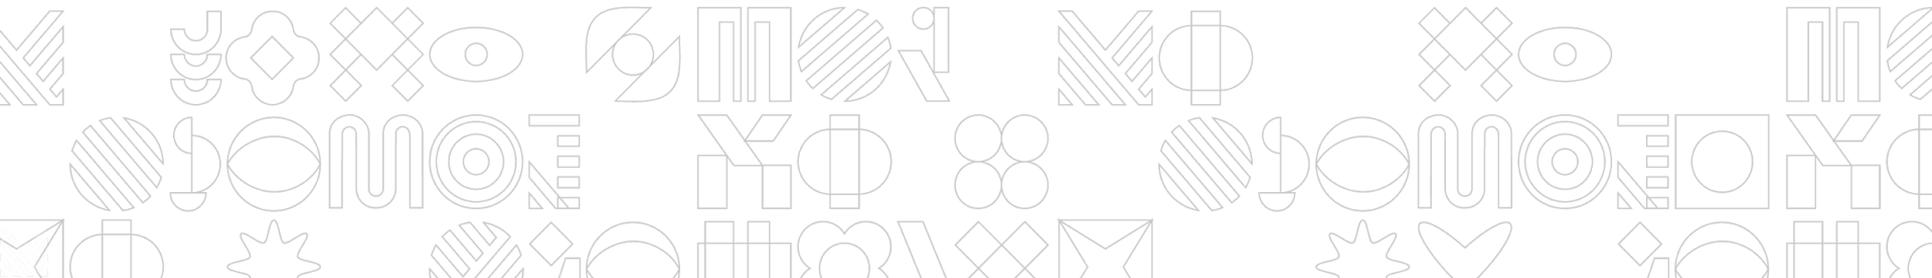

Consulting

- Strategic advisory
- Technology + Operations
- Data + AI
- Engineering

Ventures

Early-stage consumer and tech focused investments (service + capital led)

Early-stage

Firms with impressive founders and great ideas, but needing help to operationalize and prepare for the capital raising process

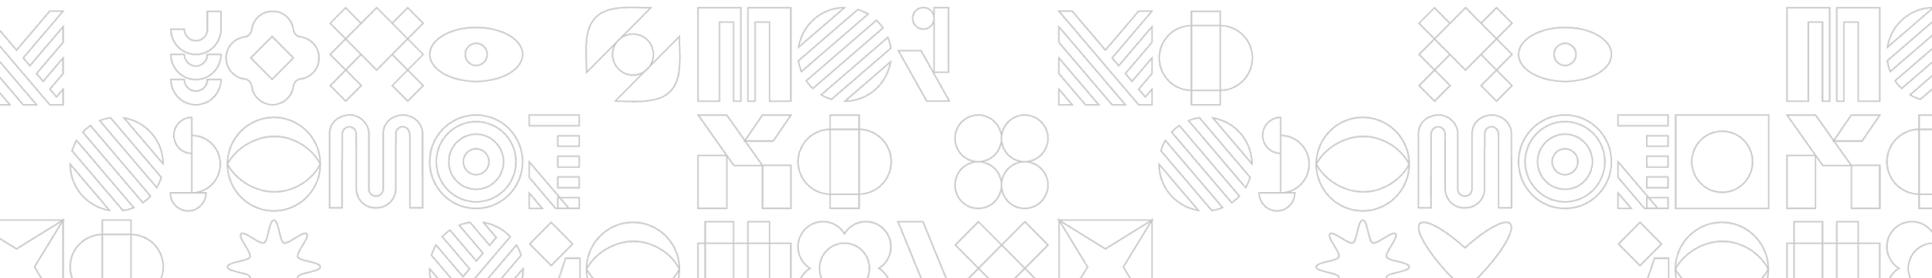

Mid-tier

Challenger firms who are poised to innovate but struggle with access to resources and associated costs

Multi-national

Large orgs needing to adopt a rapid-prototype and fail fast mindset (inspire innovation, be the disruptor)
