

Robert Greifeld
President and Chief Executive Officer
The Nasdaq Stock Market, Inc.

Robert Greifeld is President and Chief Executive Officer of The Nasdaq Stock Market, Inc., the largest electronic screen-based equity securities market in the United States. Greifeld has focused the NASDAQ mission on being the premier U.S. equities market, leveraging NASDAQ's fundamental market structure advantage.

Prior to joining NASDAQ in May 2003, Greifeld was an Executive Vice President with SunGard Data Systems Inc., a \$6.2 billion market cap company. Greifeld holds a Masters in Business from New York University, Stern School of Business and B.A. in English from Iona College.
