1. An annual report on this form is to be filed by each issuer for which this form is appropriate:

2. The report, including exhibits, is to be filed with the exchange upon which the securities are registered and in triplicate with the Commission. At least one copy of the report filed with the Commission and one filed with the exchange are to be signed. If securities are registered on more than one exchange the registrant may prepare one annual report covering all securities registered on any of the exchanges and, in such case, should file originals of such annual report with each exchange and a duplicate original and two copies, as above, of such annual report with the Commission. A registrant may, however, at its option prepare separate annual reports for each exchange upon which its securities are registered and, in such case, should file a duplicate original and two copies, as above of each such report with the Commission.
3.

5. If information is asked as of the close of, or for, a specified year, and such information is not yet available for such date or period, it may be furnished as of the close of, or for, the latest year for which it is available. In each case the date or period for which information is given should be indicated.

6. The answers are to be made in the English language.
