PRELIMINARY DETERMINATION OF THE CLAIMS REVIEW STAFF

In response to the above-referenced Notice of Covered Action, the U.S. Securities and Exchange Commission received a whistleblower award claim from [REDACTED] (“Claimant”).

Pursuant to Section 21F of the Securities Exchange Act of 1934 (the “Exchange Act”) and Rule 21F-10 promulgated thereunder, the Claims Review Staff has evaluated the above claim in accordance with the criteria set forth in Rules 21F-1 through 21F-17. The Claims Review Staff has preliminarily determined to recommend that the Commission deny the above award claim. The basis for this determination is as follows.

Claimant did not provide information that led to the successful enforcement of the above-referenced Covered Action within the meaning of Section 21F(b)(1) of the Exchange Act and Rules 21F-3(a)(3) and 21F-4(c) thereunder because the information provided did not:

1. cause the Commission to (i) commence an examination, (ii) open or reopen an investigation, or (iii) inquire into different conduct as part of a current Commission examination or investigation under Rule 21F-4(c)(1) of the Exchange Act; or
2. significantly contribute to the success of a Commission judicial or administrative enforcement action under Rule 21F-4(c)(2) of the Exchange Act.

In reaching this preliminary recommendation, we note that the record reflects that the investigation that resulted in the Covered Action was not opened based on information provided by Claimant. Rather, the relevant Enforcement staff received one TCR from Claimant after the investigation was completed, and approximately six months after the Commission filed the Covered Action. The TCR offered no new information that was used in, or otherwise had any impact on, the Covered Action.
