Self-Regulatory Organizations; Cboe Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change to Amend its Fees Schedule

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b-4 thereunder,² notice is hereby given that on March 7, 2024, Cboe Exchange, Inc. (“Exchange” or “Cboe Options”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

Cboe Exchange, Inc. (the “Exchange” or “Cboe Options”) proposes to amend its Fees Schedule. The text of the proposed rule change is provided in Exhibit 5.

The text of the proposed rule change is also available on the Exchange’s website (<http://www.cboe.com/AboutCBOE/CBOELegalRegulatoryHome.aspx>), at the Exchange’s Office of the Secretary, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified

in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend its Fees Schedule, effective March 7, 2024. Specifically, the Exchange proposes to make clarifying changes to the “Regulatory Fees” section. Under the Exchange’s Regulatory Fees, the Exchange charges a fee to TPHs, including Designated Primary Market-Makers³ (“DPMs”), that are subject to Rule 15c3-1 under the Exchange Act (the “Net Capital Rule”)⁴ and for which the Exchange has been assigned as the Designated Examining Authority (“DEA”), called the “DPM’s and Firm Designated Examining Authority Fee.” The Exchange currently charges TPHs subject to this fee \$0.60 per \$1,000 of gross revenue as reported on quarterly FOCUS reports filed by such TPHs (excluding commodity commission revenue). In addition, this fee is subject to a monthly minimum fee of \$1,500 per month for Clearing TPHs and \$400 for non-Clearing TPHs.

The Exchange first proposes to remove “DPM” from the fee title, as such fee is not assessed to TPHs because of their DPM capacity. As stated above, the Firm DEA Fee is assessed to all TPHs that are subject to the Net Capital Rule and for which the Exchange has been assigned as the DEA. While this may include DPMs, it does not necessarily include all DPMs; thus, the Exchange proposes to remove DPM from the fee title, to avoid potential confusion and clarify the purpose and application of the fee.

Further, the Exchange proposes to add clarifying language regarding the calculation and

⁴ 17 CFR §240.15c3-1.

billing of the Firm DEA Fee to add further transparency to the Fees Schedule. The Firm DEA Fee is calculated by the Exchange and assessed to TPHs, as applicable, on a quarterly basis. The Exchange proposes to add language stating that if the Exchange is the DEA for a TPH for less than all three months of the relevant quarter, the Firm DEA Fee for the TPH for that quarter is prorated based on the number of months in the quarter in which the Exchange acted as DEA for the TPH.

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Securities Exchange Act of 1934 (the “Act”) and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.⁵ Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)⁶ requirements that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. Additionally, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)⁷ requirement that the rules of an exchange not be designed to permit unfair discrimination between customers, issuers, brokers, or dealers. The Exchange also believes the proposed rule change is consistent with Section 6(b)(4) of the Act,⁸ which requires that Exchange rules provide for the equitable

allocation of reasonable dues, fees, and other charges among its Trading Permit Holders and other persons using its facilities.

In particular, the Exchange believes the proposed rule changes to the Fees Schedule do not change any fees charged pursuant to the Firm DEA Fee, but rather are clarifying in nature, and thus, the fee will continue to be reasonable and equitable, and uniformly applied, as applicable, to all TPHs that are subject to the Net Capital Rule and for which the Exchange has been assigned as the DEA. The Exchange believes the proposed rule changes remove impediments to and perfect the mechanism of a free and open market and national market system as they add clarity, mitigate any potential confusion in connection with the application of these fees or billing in connection with these fees, and facilitate better understanding of the Fees Schedule for all market participants, which ultimately protects investors.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. As indicated above, the proposed changes to the Fees Schedule clarify language regarding the Firm DEA Fee. As the Exchange is not changing the fee itself, but merely clarifying who the fee is assessed to and how the fee is billed, the Exchange believes the proposed clarifying rule amendments do not substantively change the Firm DEA Fee or the manner in which it currently applies to market participants, as applicable. The proposed changes are not competitive in nature and are merely intended to clean up the Fees Schedule in order to provide additional clarity and facilitate better understanding of the Fees Schedule for all market participants.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act⁹ and Rule 19b-4(f)(6) thereunder.¹⁰

A proposed rule change filed under Rule 19b-4(f)(6)¹¹ normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),¹² the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposed rule change may become operative immediately upon filing. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest, because it will allow the Exchange to make clarifying changes to its Fee Schedule. Accordingly, the Commission designates the proposed rule change to be operative upon filing.¹³

At any time within 60 days of the filing of the proposed rule change, the Commission

¹⁰ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)¹⁴ of the Act to determine whether the proposed rule change should be approved or disapproved.
